Located in the heart of Venice Beach this wall reads to the Venice Beach Boardwalk, bike path, and to the beach itself. Venice Beach is a destination for thousands of natives and tourists alike who come to soak up more than just the sun. The boardwalk is known as a virtual carnival, home to a variety of street performers, hundreds of vendors, sidewalk cafes and restaurants, and the famous Muscle Beach. The location offers a unique mix of both an urban setting and a beach destination.
